LUIGINA DISHES OUT THE PUNISHMENT

I caught my man looking at a girlie magazine today. I was quite surprised, but not upset. If it makes him happy – and horny – then that's fine by me. I think I'll show him I can do better than the girls on those pages!

"Yes, I'm a fan of ass to mouth when it's my ass to my mouth. I know where that cock has been. I love to taste his sweat and lube mixed with my juices and it's a deeply sweet, almost intoxicating taste. I know that I've pleased my lover when I do that. Tell me, has your woman ever done that for you?

STOP STARING

And go get your checkbook and subscribe. I have a BMW, rent to pay, need another three pairs of Louboutin shoes, a faux fur coat, and a father with a bad gambling habit, so I have to pose naked in this magazine just so you can get your rocks off looking at my delicious body and boobs.

MS PLATINUM STRIKES IT RICH

What’s a nice girl to do when her beautiful butt is so fine that it just won’t stay in it’s panties? What’s this same girl to do when she wants to show it off all the time? We have an idea. Strip off them knickers and let us see it so we can admire it, and then pull out our cocks and fuck it. Nice girls like that!

Ms Platinum admits that great sex is a way of life for her. Her sex drive is huge and she loves to get really into it, especially sucking big stiff cocks. She's so damn good at it that she amazes herself sometimes. And, ohhh, the taste of cum, yuuummy. She'd love to taste yours, too.

Wow, that Strokahontas is hot, and what a booty on her. Then she's a lesbian on top of all that. I had to look at that pictorial many times just to catch all the action before I could get into my own action. Dudes, thanks, that's some hot stuff.

THE PIZZA REPAIRMAN

I moonlight delivering pizzas in town to make a little more money to pay the bills. So I'm working on Friday night and the manager gives me my final few pizzas for delivery. I recognize the first order, Mr. Driscoll. He's a regular that orders pepperoni and black olives every time, but not much of a tipper. The second was your standard large three topping for a couple college guys watching the basketball game. Again, not much of a tip. The final order was a new address I had not delivered to before. When I arrived, I rang the bell, this stunning young thing answered the door in one of those halter tops and bikini bottom. As I handed her the slip to sign to charge it, she looked at the patch on my shirt and read softly -- Pipes, Drains and Beyond.

"That's a cute shirt." she said. "Is your father a plumber?" I just looked up at her, too shy to say anything to this fox. "I need someone to look at my shower." I said "Well, no, that's me." She chuckled and said "No, really?" "Really" I replied back to her. "Are you expensive?" "Well that depends on the job, a shower, depends on if I have to replace anything." Then she asked if I could take a moment and look at it with her. I said OK. She invited me in and said her boyfriend is not the handiest man but he has other qualities.

She took me into house and to the bathroom. She explained that some times it works, and sometimes it doesn't. I said let's take a look and she went over to the faucet and turned it on, then pulled the plunger to activate the shower. Sure enough nothing. She said now, watch this, she turned everything off, then repeated the steps. This time it came on but shot off to the left, soaking her. I started to laugh, she said "Oh that's funny is it?" I said it was and she looked at herself and started to laugh, too.

I told her I thought I knew what the problem was and asked if she had a rag and a straight pin or needle. She said I'll be right back and went and got the things I asked for. I took off the head and looked at the valve inside. It was clogged with calcium deposits and hard water build up. I started to push the pin through the holes of the head and soon I had the whole thing cleaned out. I reassembled the parts and tested it. Sure enough, it worked like a charm. She jumped up and down, causing her boobs to fall out of the skimpy halter. I just stood there looking. Oblivious to her exposure, she said it hadn't worked that good since she moved in nine months ago. I gave her a name of a product to use, explaining that it was the calcium build up causing the problem. She thanked me as she noticed me looking at

her chest. “Oh my God!” she exclaimed as she became aware of her wardrobe malfunction.

I smiled and told her that she’d already paid me. “I did?” she said, adjusting her boobs back into place inside the halter. I said “Yes, when you jumped up and down.” She blushed and said she still owed me something for my labor. With that, she pulled the top up off her chest and over her head, again revealing those two beautiful mounds.

She dropped the top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened. I came over and caressed one of them. Then I started to play with her nipples, she started to moan. I then bent down and started to suck on them and this really set her off. She then slipped her hand between her legs. As I continued with her breasts, she pulled down her bottoms and took my right hand and put it there. I felt no hair, so my fingers went to her pussy and split her lips, searching out her cute little sex button.

I dropped to my knees and let my tongue take advantage of her. She leaned against the sink as I drove my tongue deep inside, she came quickly. Looking up at her, I smiled and she pulled me up and unzipped my shorts and pulled out my cock. She gasped and said I was hung like a horse. I smiled and asked if that was a problem. She said “Let’s see.” as she took my nine inch rock hard cock into her mouth and began sucking me. I said “If you don’t want a big load in your mouth, you had better quit now.” But she didn’t. I blew my load into her mouth and she drank it down. But she pulled off too soon. I blew two more pulses on her face and boobs but she just smiled and licked it off.

I pulled her up to the sink and sat her on it. Then, taking my cock in my hand, I guided it inside her wet pussy. She moaned as I slid it in and out and soon felt the next load building. I asked if she wanted this one inside or out. She said it feels to good inside so go ahead, do it. So I did. She moaned as I flooded her with another huge load. After I finished, she knelt back down and licked me clean. She said that vvery nice and hoped I was able to come back from time to time. “I’d like to do this again.” she cooed. I said “Oh, me too.”

She went on to say that if I was to come over and saw a red Charger in the driveway, not to come in. That was her boyfriend’s. I said no problem. We have gotten together numerous times, both before and after my pizza deliveries and plumbing jobs. She’s still with her boyfriend and I’m still avoiding the red Charger.

MY TRIP

My name’s Louise, I think I’m attractive. I’m 26 years old, 5’6 with 34D breasts, but those aren’t even my best asset. By far, my big curvy backside is. My girlfriends are always complimenting and the boys are always looking at my ass. I’m used to describing myself like this because I’ve been posting online with guys a lot recently. I’m constantly horny so my online chats are almost always about sex. There was one guy in particular, Ramon, a 25 year old grad student that has my interests piqued. I for guys who are filthy and persistent, but he turned me on and has made me curious. Whenever I was online there he was.

After many months of back and forth, I felt more and more comfortable with him. He was sweet yet agressive. I broke down and told

him where I lived and wouldn't mind meeting him. I even told him I'd answer the door wearing nothing but a towel. This was all a bit risky as we've never met before but I really didn't care. I was really horny because it'd been almost a year since I was fucked last.

So it's Friday night and I'm expecting the door bell to ring any minute. I put on my favorite sexy black thong and high heels and wrapped a big towel around my body just in time. I opened the door but I was stunned at what was in front of me. Ramon looked to be 18 at the most. Before I could say anything, Ramon admits he lied. He is really 18 and a Phd candidate at the university. A kind of wunderkind who graduated highschool at 12, he explained.
I had to think quick on my feet. How do I know that he's not still in high school. After all he lied about his age. So I asked a few questions about the college and he answered them all correctly. I decided that all was fine and it actuallly seemed more of a challenge than I expected but I was up for it. I closed the door as he took a couple steps into the living room and dropped my towel. Standing there naked apart from my high heels and sexy black thong. Ramon stepped back to stare, his eyes were wide open I knew he was getting more horny by the second. He stepped towards me and started kissing me all over and squeezing my breasts. His kisses moved down to my large breasts, taking turns to suck each of my now erect nipples as I felt both of his hands now fondling my asscheeks. At this point I stopped fighting it, I was becoming moist and was so aroused that I was going to let this happen.

I walked into my living room. I knew he was staring at my big ass cheeks jiggling up and down and I could tell he wanted me so bad. Before I could even turn around, Ramon gently pushed me faced down onto my sofa. I felt his hands squeezing my butt as he gave out a moan as he buried his nose deep between my asscheeks, he was loving this.

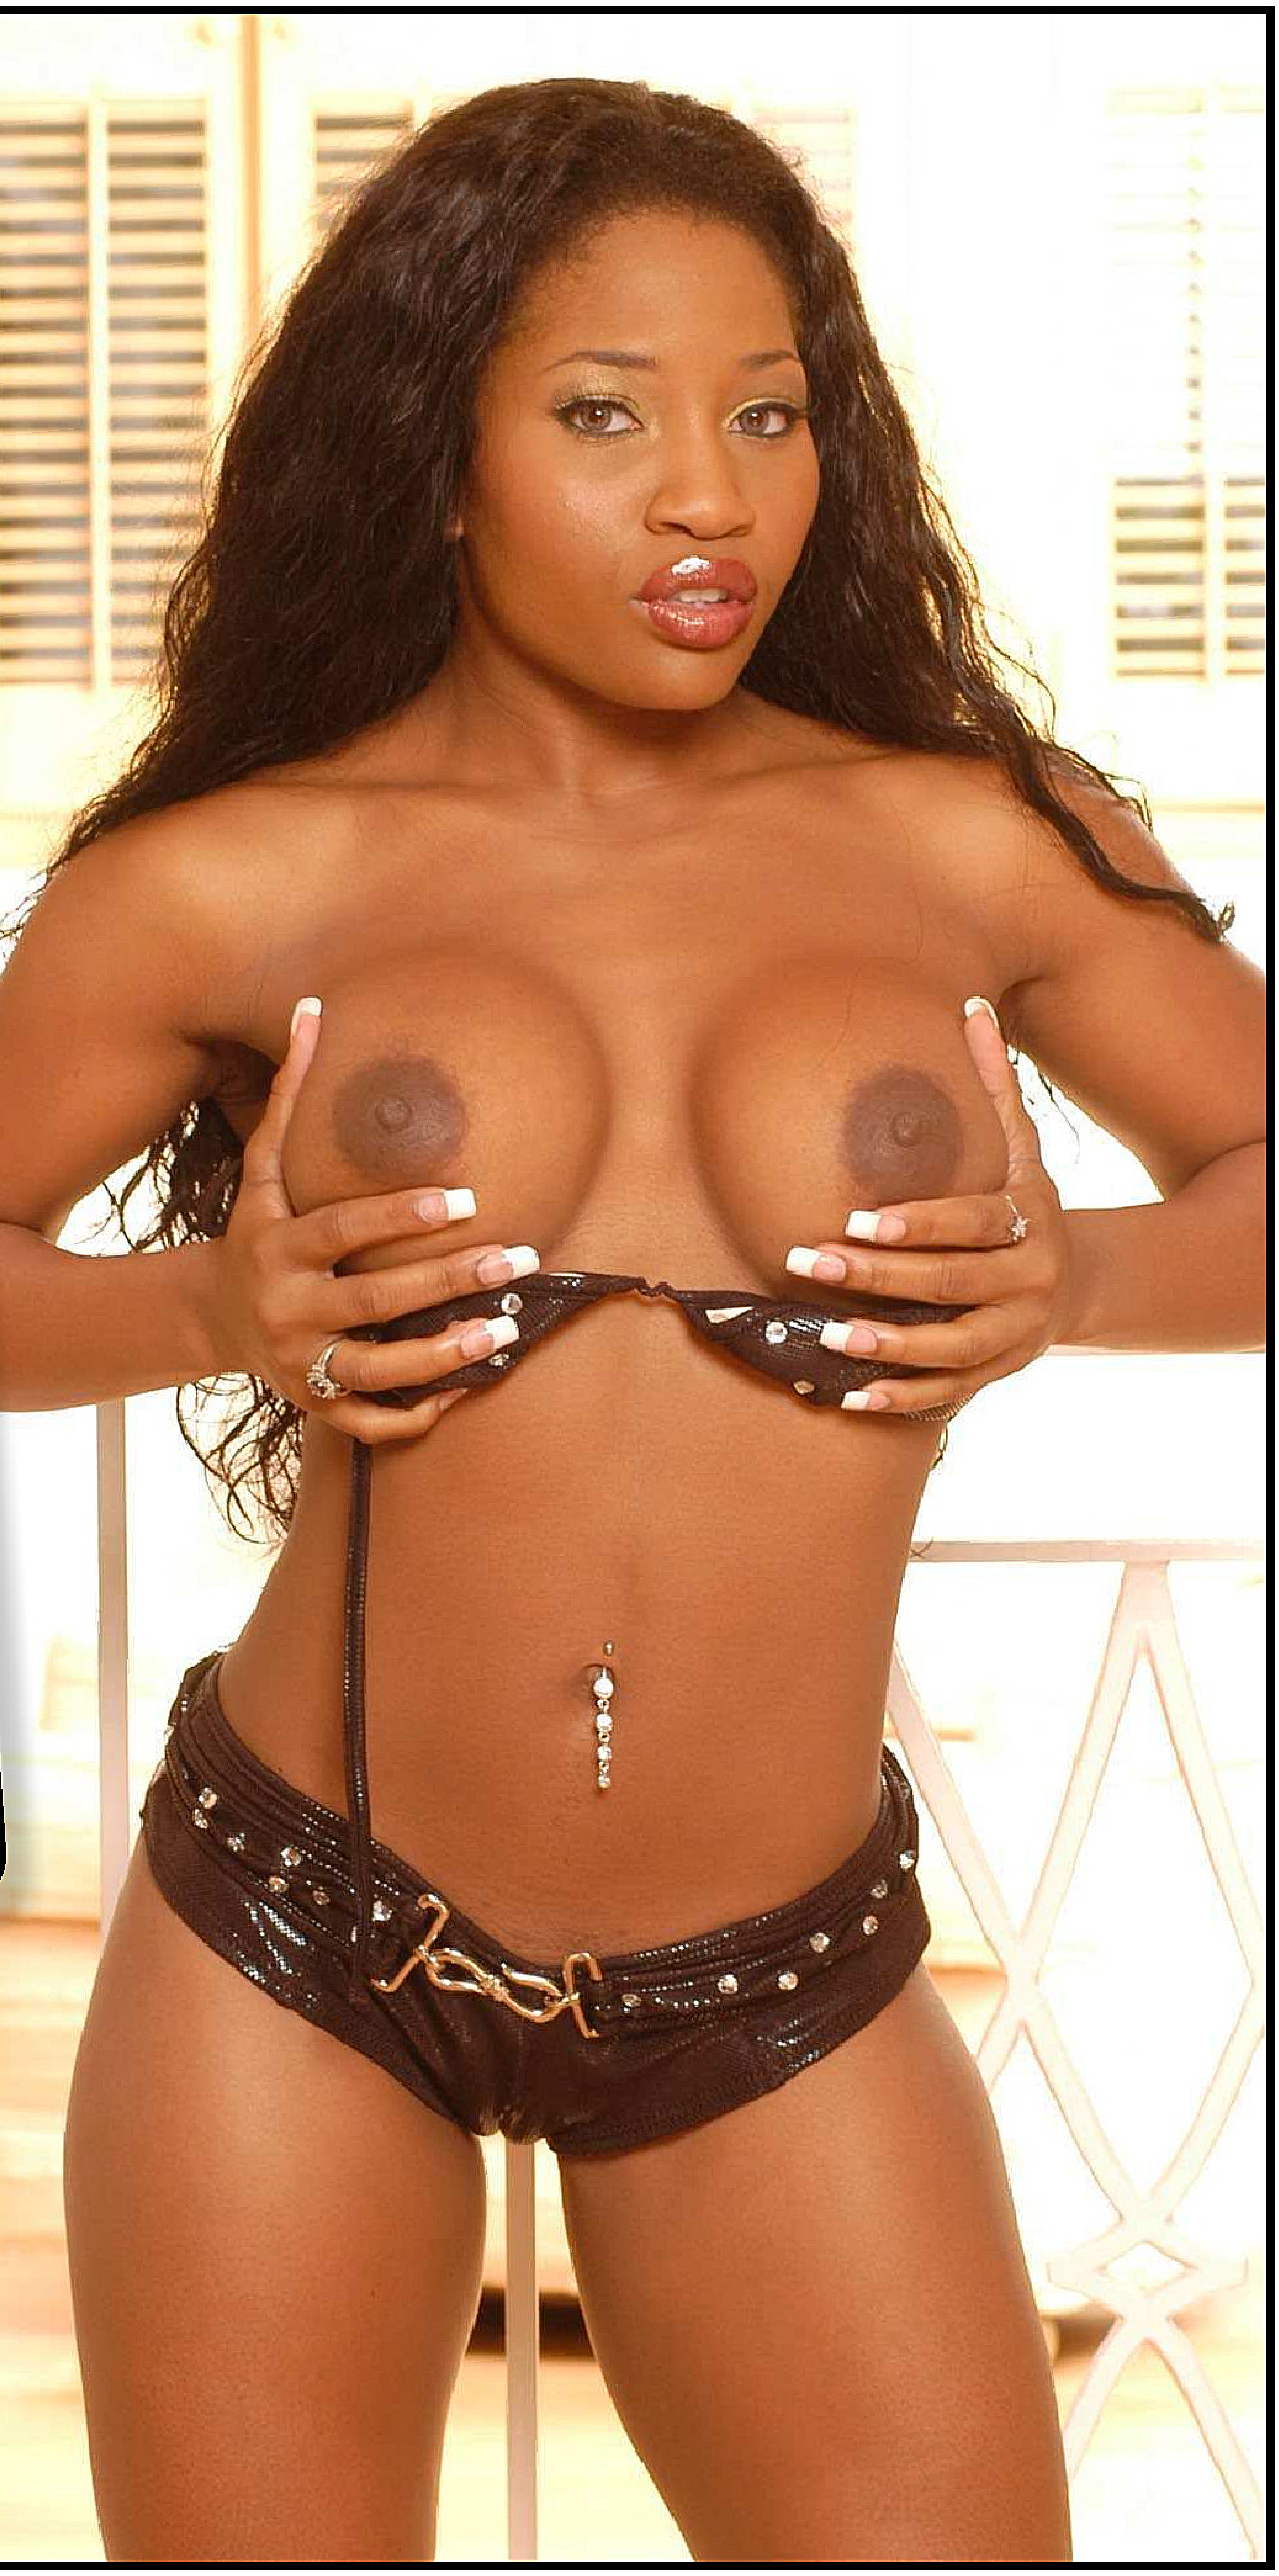
I felt both his hands pull my butt asscheeks apart and something warm entered my asshole. It was his tongue and it felt amazing, circling my asshole as two of his fingers entered my wet pussy from behind. I felt the sensation building when Ramon picked up the pace and fingered me faster. I screamed during an absolutely amazing orgasm, my legs were shaking and my body tingled all over. I glanced behind me and could see his's face was still buried deep within my butt and he continued to suck and lick away at my hole.

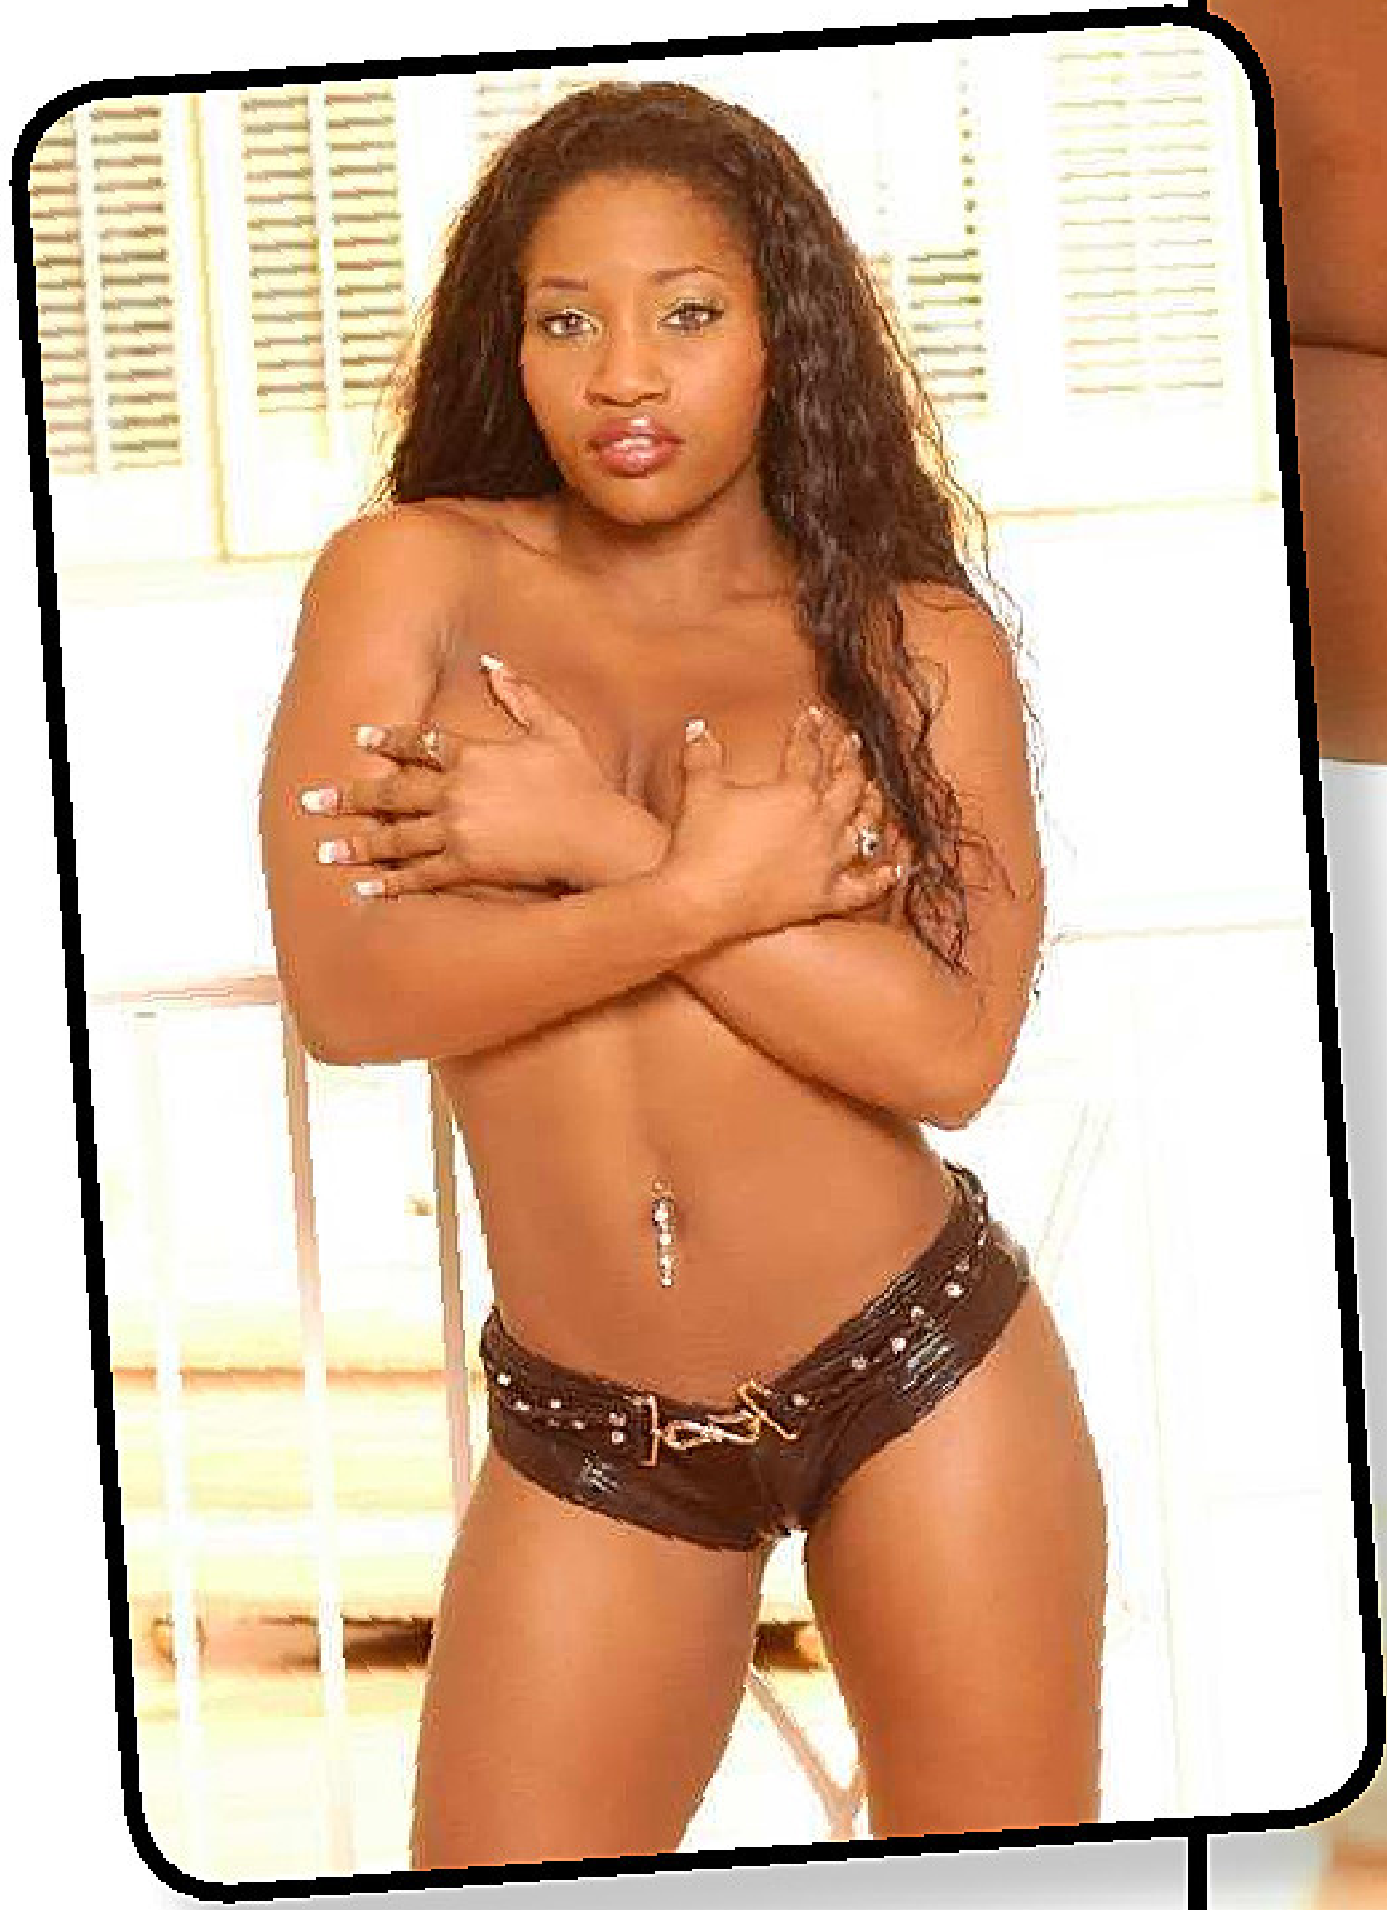
Ramon stood up next to me, both of us completely naked. I glanced down. His cock was surprisingly large. I said as I got down on my knees for a closer look. I squeezed my huge breasts around his cock and he started thrusting back and forth. I lowered my breasts and rubbed his cock against my lips, and took all eight-inches deep in my throat. Suddenly, his back jolted and he fed me wave after wave of his warm love juice into my throat. I swallowed every last drop.

I now wanted hbis cock inside me, so I mounted him slowly as his still erect cock slid inside me. Slowly I began to rise and fall as his hands grabbed my big asscheeks moving me up and down faster feeling my love muscles clenching tightly against his cock each time. I felt him swelling again and pulled him out to take his explosion on my breasts. He buried his cock between them to finish and I took the full load into my open and waiting mouth.

I get up to get the towel and wipe off what I didn't swallow. I sat back on the couch watching Ramon put his clothes back on. he extended a hand and I took it standing up. He gave me a big hug and kiss as I reached down his pants and grabbed his cock. I pulled it out and started sucking it. He decided to stay a little longer.

LORI ALEXA SWEET SUGAR PIE





"Yes, these boobs are paid for, and they've paid me back many times over. It's quite a refreshing feeling knowing that something more than my 133 IQ will interest the boys. That's why I had them done, so they would want more than just my mind.

"When I do things, I like to do them right and see them through to completetion. Like cock-sucking – I have had plenty of practice and all the guys appreciate my technique. They like my warm, soft lips wrapping around the head and sucking it into my mouth. Then the brush of my teeth as I go up and down along the shaft. Are you available if I run out of guys to practice on?

"I love foreplay because it gets me really wet. I get myself ready for my guy by sticking my fingers into my pussy to prime the hole. When I feel it's ready, I'll have him lick me and get me even hotter. Then he'll guide his hard cock into it. I can't wait for him to fill my wet hole with his hard cock."

"I love to have sex because sex is a great workout. That's what foreplay is all about. It's kinda like the warm-up before the game. And I like it a lot. Especially working out on a a huge cock. It strengthens my arm muscles and my mouth muscles. And for the guy, if it gets worked on a lot, it gets bigger and bigger, and harder and harder. That's pretty cool. So tell me guys, do you like foreplay? Do you need someone to warm up with?"

It was just my job.
I had to do it but not like it.
Then I liked it, it's my job!

IN A LATHER

Last week I turned 24 and also celebrated two years on the job. I also celebrated seven months without a husband. As a prep nurse on a hospital surgical floor, I'm responsible to get patients ready for surgery. This involves many different things to depending on the type of surgery to be performed. For a man's chest or abdominal operation, this means shaving his chest from just below his breasts to just below his groin. I give them a choice of a straight razor or a twin blade. Many ask what the difference is and I explain the straight razor is more "old school" and many older patients prefer it. I also think some like the look of a nurse holding that instrument. I'm think I'm kinda good-looking so the turn on may be even greater.

Admittedly, there are some men that seem to get turned on by this, but most are not. As a matter of fact, the younger ones are more embarrassed than the older ones. Maybe it's the years that have made them more accommodating. I try not to turn the patient on, but sometimes it's just unavoidable. Some men are just more sensitive down there and they react by having an erection. I try not to pay attention but if the guy is good looking and turns out to have a nice penis, I may take a bit longer to shave him. Maybe even lather him up a bit more. Now, I have never done anything with any patient but have thought about it several times. Some guys have even asked me for a little more titillation, but I've always refused. Until eight months ago.

A nicely built 20-something was in for groin surgery. He had been there for a couple days and I noticed him as I walked my rounds. When I learned why he was in the hospital and I would be prepping him, I kinda got a bit more excited than normal. Confused, and still married at the time, I spent a sleepless and sexless night wondering is I should be a bit more "careful" with my shaving.

Surgery was scheduled for 6:00 am the next day and I got to the hospital at four. The patient, – let's call him Erick – was sleeping when I entered his private room. I gently clanged the stainless bowl with the warm water as I pushed the cart near to his bed. He rustled a bit and half-opened his eyes. When he saw me, they opened even wider. "Good morning." I whispered. "Are you ready for your surgery today?" He nodded sleepily as I told him I was the prep nurse and was there

to shave him. He said okay quietly and rolled over on his back. I asked him to undo his hospital gown and he could pull it up or take it off altogether. He pulled it up around his neck as I showed him that I was warming my hand and that the water was warm.

He raised his arms and put both hands under his head intertwining his fingers. Without even asking, I opened the straight razor and squirted some shaving gel onto my hands working it into a small lather. I started just below his nipples and rubbed the gel into his chest watching the foam get bigger. Well as it turns out, it wasn't just the foam. I tried not to look or think about it. His chest was not too bad and the shaving went quickly. However, from his belly button to his upper thighs he was a bit more hairy.

I lathered him to where his penis meets the belly and shaved it down to there. He had held pretty still so far. Now it was time for the penis and the area around it. I noticed that he had some hair on it which meant I had to shave the shaft, too. I had done this before and very slightly cut a patient there. He was gracious about it and said it probably wouldn't have happened if he was hard. I kept this in mind as I lathered him down there. As you would expect, he started getting harder from the half-hard stage he was at. I told him I had to shave some of his shaft and it worked better if her was hard. He looked at me, agreeing, and closed his eyes. I stroked the base and worked in the lather. His cock jerked a few times until it was rock hard and a good eight inches or more. Professionally speaking, of course.

I finished lathering to the sides of his penis and pushed against his belly so I could get some foam onto his balls. He squirmed at my touching him there and said he wasn't expecting that. I told him that my orders were to clean shave him and that's what I had to do. He settled back and I started with the razor around his penis, washing the blade off as it accumulated the foam. I gently held his hardon just below the head as I pulled the razor down his shaft. I did it slowly and carefully squeezing his cock a little as I finished. Then

Taking it slowly, I stroked his still-hard cock under the cloth. I could tell he tightened his cock muscles as I squeezed it. I put the cloth into the water to rinse it off...

on to his balls. I pulled the skin tight and changed razors to the twin blade so there less chance of cutting him. Ad I finished shaving his balls, my free hand took the liberty of giving a little squeeze as I finished each one.

“Finished?” he asked. “Yes, Just have to wash you up.” I said softly. Taking the washcloth, I dipped it into the warm clean wither in the second bowl; wrung it out and started to wipe the excess foam off him. Taking it slowly, I stroked his still-hard cock under the cloth. I could tell he tightened his cock muscles as I squeezed it. I put the cloth into the water to rinse it off , but continued stroking him with my free hand as if it was part of the job. A pat down of his balls let out a small noise and I apologized if I was too hard on the. He said no looking at his cock and pointed to a spot I had missed. I used my finger to wipe that last white morsel of foam. I then got pulled out a fragrance-free lotion and began rubbing it into his groin area. Of course I took some extra time on his cock and balls. He just laid there as I rubbed him harder and stroked him longer until I lost control and jerked him to a climax. His cum spewed down the shaft and over my fist still grasped around his cock. He did nothing to stop it himself and when I realized what I had done, I began to stammer and apologize, but he said it was nice and not to worry, just clean it up for him. I got the washcloth again and wiped it up. I hastily gather my myself and my stuff and left his room with a half hour to spare. I went to the nurses lounge and sat down contemplating what I had done.

Later I learned that the surgery went well and no one was for the wiser. Until a couple of weeks later when my husband recounted a story of how a co-worker had gone to the hospital for surgery and the prep nurse masturbated him before surgery. He put two and two together, asking if it was me. I told him it was and that it was an “accident” just a slip or two of some extra strokes.

Well, that did us in and we got divorced. Fortunately, the hospital never found out so my job is safe for now. I haven’t done it again, but think often back to that morning and masturbate myself. When I meet my new man, I think I’ll shave him and have him shave me. I bet the sex afterwards will be great! Don’t you think?

YES, I'M WET.
I'm also sassy, opinionated,
a bitch, a sweetheart, your lover,
and your worst nightmare.
I'm your ex – asshole.

Hillary is any guy's good fortune. She's an incredibly sexy girl that just loves to fuck guys. Importantly for us, she understands the camera's role and she makes viewing sex on paper and in videos extra exciting. She's the madonna and the whore. She's the college classmate and the girl next door. And she does it all with a passion rarely matched.

Gen is a sex machine. She told us that during one month she must have done ten different guys. That's probably a lot by anyone's standard. She can make cocks erupt just by looking at them because they know she exudes animal sex. And her supple body writhes uncontrollably when she's excited.

Gen's been blessed with a great attitude towards sex and she shows it with every fuck. With her 'I want to fuck you right now' personality, Gen loves and lives the fun life. With lots of men and women at her beck and call, she loves them all but barely has time for herself. We suppose that it's hard not to love a woman who keeps all her romances happy.
